

# College Debate Event

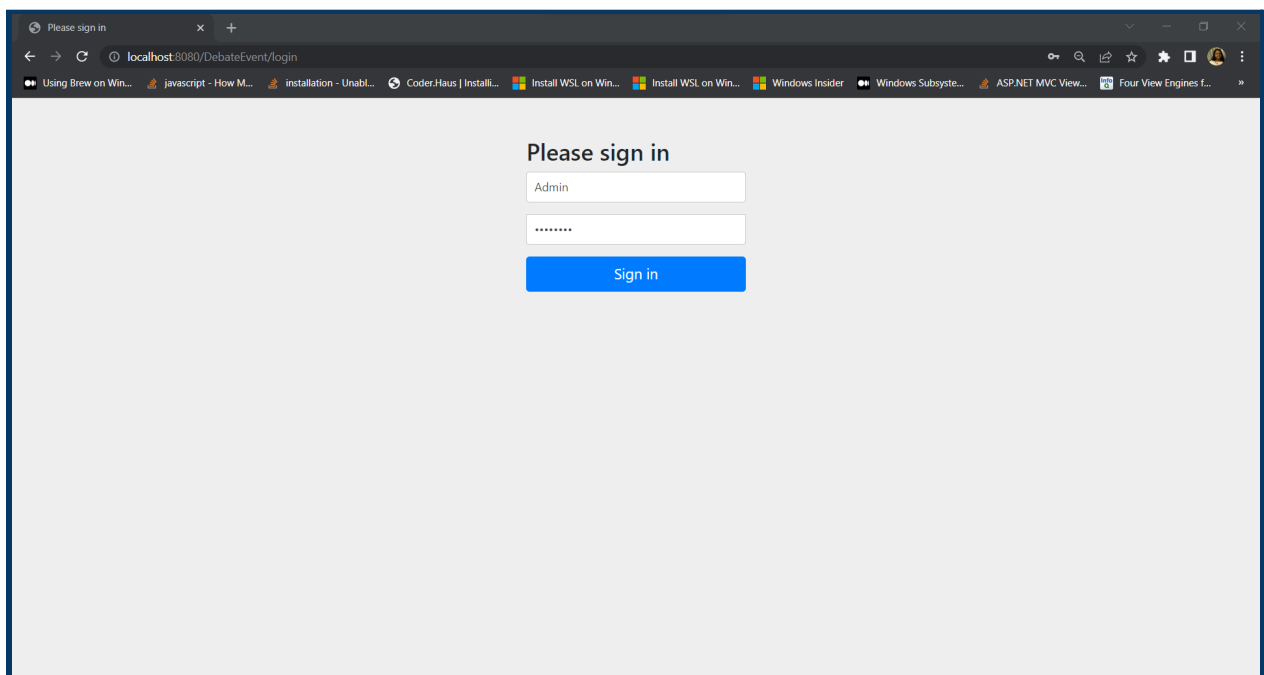

## 1. Login Screen

### a. Default Login Screen

A screenshot of a web browser window showing the login page for 'College Debate Event'. The browser's address bar displays 'localhost:8080/DebateEvent/login'. The page has a light gray background and a dark blue header. The main content area contains the text 'Please sign in' in a bold, dark blue font. Below this text are two white input fields: the first is labeled 'Username' and the second is labeled 'Password'. A blue button with the text 'Sign in' is positioned below the password field. The browser's taskbar at the bottom shows several open applications, including 'Using Brew on Win...', 'javascript - How M...', 'installation - Unabl...', 'CoderHaus | Install...', 'Install WSL on Win...', 'Windows Insider', 'Windows Subsystem...', 'ASP.NET MVC View...', and 'Four View Engines f...'.

### b. Login as Admin

A screenshot of the same web browser window as above, but with the 'Username' field filled with the text 'Admin'. The 'Password' field is now filled with a series of dots, indicating that the password has been entered. The 'Sign in' button remains visible below the password field. The browser's address bar and taskbar are identical to the previous screenshot.

### c. Login as User

Please sign in
